

April 4th, 2013 Minutes

We had a good crowd considering the weather!

Judy gave the financial report. There has not been a lot of activity. The total balance is \$21,209.67. Jenny discussed the meeting she and Rita had with Pat Carson who is working on our website. Pat has already made changes to it. More information will be coming to the website. She is going to make a deceased page so you can send her information about your classmates to her. Her phone numbers and email address have been added to our contact list. Jenny will be sending all the board members an updated contact list.

Jenny asked for suggestions for the newsletter. Those suggestions were writing about the scholarship winners, our website and Facebook page, the status of GMS, future reunions, our past reunion, participating in the Arts & Antiques Festival, and providing lunch for the teachers at GMS. If anyone has more suggestions, please let Jenny know.

Rita mentioned the projects that Dr. Moore would like us to do. She wants us to provide sweets for the teachers during the days of May 6th-May 9th. Folks volunteered for each day. We will provide a lunch on Friday. Lori is checking into The Dinnerbell to provide the food. Folks volunteered for each day. Dr. Moore also wants us to provide a plant for each teacher who is a mother for Mother's Day. Rita will be taking care of this. Rita has also cleaned out the flower beds at the school and will add new plants soon.

Here is the list of those bringing sweets during the week of May 6th-10th. Anyone wanting to participate can call Jenny at 851-1554 or 210-4077.

Monday- Dr. Elder and Jenny

Tuesday- Sylvia and Ina

Wednesday- Minnaware and Rita

Thursday- Lori, Kim, and Nancy

Friday- We need folks for this day.

See you at the next meeting on May 2nd!

Jenny
