

July 7th Minutes

We had a super meeting!! Got lots accomplished! Go Trojans!!

Judy gave a financial report with \$50 going to First Baptist of Hendersonville in memory of Frances and \$200 for Connell for allowing us to use their church all these months. That leaves a total of \$10,861.17.

A contact sheet has been sent out to everyone.

Rita suggested we have a Bereavement policy and everyone agreed. A policy will be done at the next meeting.

All newsletters are done!! We voted on using Terry Crabtree to tack our newsletters for \$75 and mail them for around \$220.00. We used him last time for our mailing. SOS ran off 800 newsletters for FREE!!!!!!!!!!!!!! God bless David Wrye! Before the meeting was over, all of us folded and put the labels on each newsletter (which Dianne did for us FREE!!!!!!!!!!!!!!) Judy will take them to Terry next week.

On Sept. 24th an arts and antiques festival will be held in Goodlettsville. This is a part of the ImagineGoodlettsville project. I asked if we could have a tent and sold Trojan shirts, sweatshirts, etc for the middle school. I will have more information at the next meeting. Keep the 24th of Sept. open. There is a need for volunteers!

Rita and Nancy said the application for the scholarships is ready and will meet with Dr. Moore in August to give them to the guidance counselors and be ready to go in January.

We have been looking for someone take over our website. Rita has a friend who may do this and is checking into it. She will have information at the next meeting. Please continue to send Sissy any information you may have so she can put in on the website! Many thanks to her for all she has done!

Concerning our database contract with Alumni Research, Hank is still going over the contract before we bring this to a vote. All classes have all graduates written down that were taken from the composites and Dianne will match these up with our current database to make sure we have every graduate since 1930.

Coach Newman is having a football reunion Oct. 1st and needs our help. We aren't sure of all the details but everyone is encouraged to let their class know about this and of course anyone else that played football. This is in the newsletter and on the website. I will put it on the Goodlettsville Ghost and our page on Face book. He will need some help. At the present time Coach Newman is in the hospital and we are thinking about him and wishing him well.

A 1986 graduate wrote a letter stating we didn't address in our letter about the reunion that anyone who had attended GHS was invited. He is correct and we will remember this for the next one Nov. 3rd, 2012.

Please keep trying to get class representatives to help look for their classmates. We think having separate meetings with a couple of years to work through would be best. For example, Dianne and I are going to work on 1970 and 1971. We will call everyone we know to come and work on this. (new library?) The next meeting is August 2nd at 6:30 at Connell. Many thanks to everyone who helped get the newsletter done and keep the Trojan Spirit alive!
