

MINUTES
GHS ALUMNI ASSOCIATION MEETING
JUNE 6, 2013

The meeting was called to order at 6:30 by Jenny Nichols.

Judy Adkins gave the financial report which shows we have \$21,000 in the bank, with \$13,000 of that money being in the scholarship account. Judy also reported that the scholarships will be paid out in August.

Jenny expressed concern about mailing things out from our "Trojan store" as the cost of mailing is quite expensive. There is a \$7 box and you can mail all you can get in the box for \$7. After discussion, it was decided to try and use this method but Jenny was concerned that the association needs someone responsible for this task.

Jenny mentioned the July 4 celebration at Moss Wright Park and she will find out from the city if we can possibly have a booth at this celebration to sell our Trojan merchandise. Several volunteered to work different shifts during that day.

A draft copy of the newsletter was distributed for everyone to review. This will be sent out in August.

Discussion turned to class representatives and several names were suggested to Jenny to complete the years that did not have anyone.

It was mentioned that there are several reunions coming up – July, August and September. Everyone felt we should try and sell from our Trojan store at these reunions, as well as introduce people to our Alumni Association and solicit membership from those attending who aren't members. There were volunteers among the group who will work our booth at these reunions.

Since the first Thursday in July is a holiday, the next meeting will take place on August 1, 2013.
